

SOLE SOURCE JUSTIFICATION

NASA, John F. Kennedy Space Center, will negotiate with Dewetron, Inc. for 1 Year Service and Maintenance Plan for Dewetron SDAS. The total estimated cost of this effort is [REDACTED].

Pursuant to FAR 13.106-1(b) and 13.106-3(b)(3)(i), the acquisition of referenced service and maintenance is determined to be available from only one source. Competition is impractical for the following reasons:

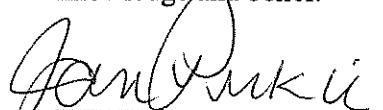

Dewetron is the only source for Service and Maintenance of Dewetron equipment and software. No other vendor source is available for this service. The software utilized by the existing Dewetron High Speed Data Acquisition System is a COTS product. An upgrade to the latest revision (Dewesoft version 7.X) is required for enhanced functionality and is highly optimized for use with the existing Dewetron hardware. Dewetron Inc. is the only known vendor for "Dewesoft".

Based upon the above, I hereby determine that the circumstances of the contract action deem only one source reasonably available for this acquisition. I certify that the supporting data presented in this justification are accurate and complete.
